

School Community Council Meeting Notes
20 November 2019

Review 2019-20 Trust Land Budget

- New aides were hired for the fifth grade classes.
- First and second grade classes received student iPads.
- Reading apps are being added to the new iPads.
- Kindergarten teachers received touch screen Chromebooks to use for assessing.
- New headphones arrived to replace some old ones.

Child Traffic Safety

- There is a continuing problem of parents parking their car in the Kiss & Ride lane which creates safety problems for students.
- The PTA is working on getting more information to parents to support the Kiss & Ride plan.
- We are interested in suggestions for how to improve the situation.

Current Literacy Data Report

- Grade level teams are setting micro-goals to reach end-of-year goals.
- K-4 focus is on literacy and 5-6 focus is on writing.

Preparing for SCC Elections

- We are encouraging parents and teachers to submit names for School Community Council members (parent and teacher recommendations).
- Elections will be moved to the fall instead of spring.

Community Questions & Concerns

- What kind of support will teachers need to acquire SEED materials for science next year?
